

## The Res/Org

**New year, new hopes, new dreams!!**

**Wishful thinking but it can happen.**

Think positive and take each day as it comes. I know I am thankful for good health and so many wonderful friends and family. Each day I try to do something special whether it is for me or a friend or both because each day is really very special the older we get and we should make memories to cherish.

So come join some of the events, large or small and make your days extra special!!

**Or reach out to someone new and make new friends and memories!**

2022 was the year we emerged from Covid restrictions and restarted many interesting and fun activities and events. In 2023, the Residents Organization is committed to provide more opportunities for resident participation.

The Res Org sponsors many activities throughout the year. I would like to highlight a few of the events and activities that are going to happen in January.

First is the January Residents Meeting on the 7<sup>th</sup> in the Ballroom. At 8:30am, there's free coffee and donuts and time to visit with your neighbors. At 9:00am sharp, the meeting starts. The agenda includes presentations of useful information, an opportunity to ask questions and hopefully get answers and maybe even some fun thrown in to lighten things up.

Second is the Meet and Greet party on January 23<sup>rd</sup>. Cheryl McDonald along with Mike Tucker, Midge Maddox, Bev Drummond and Betty Scott are planning the event. It will include food and drinks and best of all, an opportunity for all to "meet and greet" each other, especially the new residents from 2022.

Third is the Golf Cart Wellness Check on the second Saturday of the month (January 14<sup>th</sup>) at the mailboxes parking lot. Here, you can get the water in your batteries and the air pressure in your tires checked by the smiling members of the Pit Crew. Preventative maintenance will keep your precious vehicle running smoothly.

And that's just January. Coming in February – Residents Directory distribution, and the Life Saving CPR Training Class on February 22 in the Ballroom. Stay tuned for future activities.

May your New Year be filled with good health, good friends and happiness.

# Health Equipment Lending Program (HELP)

## We need your Assistance

There may be a time when you need some type of health equipment to assist you in your daily life. Wouldn't it be nice to be able to borrow that equipment for a short time instead of purchasing it?

Your Res Org Board is implementing a Health Equipment Lending Program to facilitate the temporary loan of equipment for use by residents of Crescent Run.

Some examples of equipment items are:

- wheelchairs
- walkers
- canes
- bed rails
- etc.

If you have items like these and would like to help your fellow Crescent Run residents by lending your item(s) for their temporary use:

**Please contact Jean Klein**  
**HELP Coordinator at 480-204-1773 or email [jeanklein@cox.net](mailto:jeanklein@cox.net)**

Here's how it works: Jean will compile a list of equipment lenders. When a resident needs a piece of equipment, they will contact Jean by phone, text or email stating what kind of equipment they need and for how long. Jean will then send a message to her lenders that a request has been made. If a lender responds, then Jean will give the lender the requesters contact information to facilitate the equipment delivery.

This equipment will be lent out, free of charge, for a period up to 90 days. When the resident is finished using the equipment or at the end of 90 days, they will contact the lender to either extend the loan or make arrangements to return the equipment. When the equipment is returned to the lender, it must be in good working condition and be cleaned & sanitized.

***Please note that the lenders will need to fill out a liability waiver to participate in this program.***

## Outstanding Residents Award for December

**Ken Michealson**

**The Outstanding Resident Award form** is located on the Residents Organization Website under the Residents tab and with Programs and Services. Just click on the form to open and in the top right hand corner is a printer icon. Just click on the printer to print fill-in the form and submit to any Board member, in the black box at the front door of the Clubhouse or scan the completed form and attach to our email.
