

## **GOLF CART BIRTHDAY BRIGADE**

The Residents Organization Birthday Brigade is spreading sunshine and birthday greetings to Crescent Run Residents! The brigade members check the birthday list sent out each month in the E-minutes. They ride around once a week in golf carts and knock on the door of the person who is having a birthday and sing “Happy Birthday” to them! Lots of fun! Residents created a garage band using rakes and brooms as guitars and even a cane for a trumpet! So be on the lookout.

**The Birthday Brigade may be coming to your home or neighbors soon. Everyone has fun!**
